Actron Scanning Suite 4.3
Installation Instructions
Go to https://actron.com/updates-downloads, select your product, and click the **Download Scanning Suite 4.3** link. Save the actron_scanningsuite_ver4_3_install_0.exe file to your PC. We recommend saving the file to your **Desktop**. It can be deleted after the installation process is complete.
Once the download has completed, double click on the actron_scanningsuite_ver4_3_install_0.exe icon and proceed to next step.

1. Select the language you would like to install and click **OK**.

2. Wait for the installation to begin.

3. Click **Next**.

4. If you accept the terms in the license agreement, click the respective bubble and click **Next**.

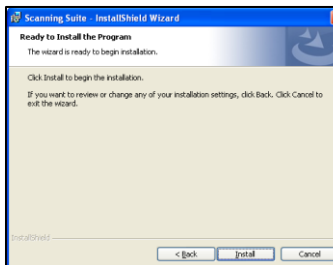

5. The Scanning Suite will install the files in a default location. Click **Next** to continue.
> Note: If you prefer to install the files in another location**,** click **Browse** to choose another destination folder and click **Next**.

6. Click **Install**.

7. Please wait while Scanning Suite is installed.

8. Click **Finish**. The installation is complete.
